EDUCATION

• Pune Institute of Computer Technology

B.E. in Electronics and Computer Engineering

◦ CGPA: 9.43/10

2023–2027

Pune, India

SKILLS

- **Programming Languages:** C++, C, Python
- **Core Computer Science:** Data Structures & Algorithms, Object-Oriented Programming, DBMS, Computer Networks, Operating System
- **Web Development:** HTML, CSS, JavaScript, FastAPI, Streamlit
- **Databases:** MongoDB, MySQL
- **AI/ML:** Machine Learning, NLP, RAG, LSTM, Scikit-learn, TensorFlow
- **Tools:** Git, GitHub, Postman

PROJECTS

• SAARTHI NEXUS – AI-Powered Placement Intelligence Platform

2026

- Built an AI-powered placement platform to rank companies based on profile relevance and eligibility criteria.
- Developed an **eligibility engine** using academic and historical T&P data to filter opportunities.
- Implemented **resume matching** and **skill gap analysis** using NLP techniques (TF-IDF, Sentence Transformers).
- Designed a **hybrid RAG chatbot** integrating MongoDB retrieval and LLM reasoning for personalized placement guidance.
- Created an analytics dashboard to visualize company fit, hiring trends, and eligible opportunities.
- **Tech Stack:** FastAPI, MongoDB Atlas, Python, NLP, LLMs, RAG

• Swasthsetu – AI-powered Ayurvedic Diet System

2025

- Developed an AI-based diet recommendation system using FastAPI to generate personalized Ayurvedic plans.
- Implemented a **RAG pipeline** for retrieving dietary rules and patient-specific guidelines.
- Integrated WhatsApp API for automated reminders and improved user adherence.
- Enabled patient–doctor interaction with real-time recommendation support.
- **Tech Stack:** FastAPI, MongoDB, AWS, RAG

ACHIEVEMENTS AND AWARDS

- Semifinalist in **Flipkart GRID 8.0 (Software Development Track)**, advancing through multiple competitive rounds.
- Attained the **Knight** badge on **LeetCode** with a maximum rating of **1867**.
- Attained **3★ on CodeChef** with a maximum rating of **1626**.
- Achieved **Global Rank 332** in **CodeChef Starters 244 (Division 2 Rated)**.
- Achieved **Global Rank 575** in **LeetCode Weekly Contest 504**.
- Attained the **Pupil** rank on **Codeforces** with a maximum rating of **1358**.
- Qualified the **Pre-Secondary Scholarship Examination (Maharashtra)**; secured **District Rank 1** and **State Rank 18**.
- Secured **State Rank 1** in the **Rationalist Talent Search Examination (RTSE)** (8th Standard, Maharashtra).
